Scroll down the list and click on these recorded conference calls with these doctors. Please wait one minute for the call to load and to start playing.

Call # 31 - Dr. David Silverman, USA

As a retired physician and surgeon, and now full-time Nikken Diamond Consultant, Dr. Silverman invites people to a world of "True Health" that most people don't know they can actually have. Discover why and how this young doctor was able to sell his medical practice and experience a more balanced life with Nikken. Let every health and business professional you know hear this recording, so they can learn about creating residual income and greater freedom in their lives by helping others.

Call # 28 - Dr. Mark Sussman, D.P.M., USA

After many years of running a successful medical practice, Dr. Sussman was working harder and earning less. Hear how he discovered breakthrough technologies and found a "way out." Listen to this important message that Dr. Sussman, now a Nikken Diamond, has for doctors as well as other health and business professionals who are still trading time for money!

Call # 22 - Dr. Yeheil Meghory, M.D. and Maria Meghory, Canada

Dr. Yeheil Meghory is a family doctor with a very large practice in a suburb of Toronto, Ontario, Canada. He has used the Nikken products on many, many people: family, friends and patients with very positive results. Maria is a bookkeeper and nutritionist. Dr. Yeheil and Maria Meghory, Nikken Platinums, have much to share about the Nikken products and as well as the business for creating residual income and greater freedom.

Call # 20 - Dr. Jim Bews, M.D., Canada

Dr. Jim Bews is an M.D. graduate from Queen's University in Kingston, Ontario. He has practiced Family Medicine in Calgary for 30 years bringing compassionate care to two generations of families in the area. Dr. Bews joined Nikken 6 years ago. He brings the same enthusiasm and concern for the welfare of people that made his family practice such a success to his Nikken business. Listen to this fascinating call with a very successful physician and discover why he strongly endorses these products and the business.

Interviewed by Bo Tanas - Musician, Entrepreneur, Nikken Royal Diamond Consultant

**The Ideal Business is Nikken. Discover It. Live It.
Enjoy better health with greater time and money freedom!**
