

Nikken Consultants can soon
GIVE OUT LOUD
A Cause to Drive your Business!

Hi Everyone,

You have heard the incredible stories of how the Nikken Sleep System and the Wellness Home have greatly improved the lives of people, both young and old, living with Autism.

Imagine having monthly sales of sleep systems under your ID with all products funded by donations to support children and families dealing with Autism.

Over the past year, a concept has been coming together with the potential to help families who have children with autism while assisting you to grow your Nikken business, like never before. This will be made possible with Autism Sleeps - an initiative of Give Out Loud.

To learn more about this exciting initiative, go to the Autism Sleeps Blog at <http://autismsleeps.blogspot.com>.

About Give Out Loud

MISSION

To inspire an international community of over 10 Million philanthropic people to be vocal and active about their cause. A community of people raising World Consciousness; co-creating solutions for sustainable change.

Give Out Loud is a ground-breaking concept with a unique blend of people associated with it like top Nikken leaders Michael DiMuccio and Cathy and Bernie Dohmann.

Become Involved Today!

You have the opportunity to participate in GOL as a Founding Member. There are many benefits of being a Founding Member as you will see when you go to www.giveoutloud.com.

As a Nikken Consultant, there are additional benefits when you participate in the first Give Out Loud initiative called Autism Sleeps, featuring Nikken's technologies.

Autism Sleeps is a program where you, as a Nikken consultant, can have a specially-designed website to attract donors who would like to contribute \$10, \$25 or more to raise funds to purchase sleep systems, insoles etc for qualified families with children who have autism.

You can upload videos sharing their testimonials etc. Imagine the powerful impact this could have.

Please note, details on Autism Sleep are not listed on the Give Out Loud Founding Members website. More details on the Autism Sleeps initiative will be launched through Web Meetings and through Blogging at <http://autismsleeps.blogspot.com/>

G!VE
OUT LOUD

Continues...

Also, as a Founding Member, you receive "GOL Seeds". These seeds are valued each quarter and turn into donations for your Autism Sleeps program. Imagine, residual donations! This program, with your efforts and the ability to participate in the GOL seeds program, will send a special Autism Sleeps package, containing a Nikken Sleep System, to qualified families with Autistic children. The order will be placed under YOUR Nikken ID number ... a true Win-Win scenario that allows your Nikken business to grow while helping children in need with the Nikken products.

The world is evolving and so is Network Marketing - being passionate about a cause and the ability to help so many with a solution will expand your business and expand awareness of how Nikken can help the world. Go to www.giveoutloud.com and get involved at which ever level you can participate so you can take advantage of "residual" quarterly donations to your cause.

If you have questions, email contact@giveoutloud.com.

*** Please note - The Autism Sleeps Initiative is planned for a Nov/Dec 2008 launch, however you only have until October 31st, 2008 to become a Give Out Loud Founding Member in which you receive additional benefits to support the Autism Sleeps program.*
